Dear Potential Sponsor!

Thank you so much for your willingness to support young people in our community struggling with devastating experiences and circumstances. Art from Ashes is a 501(c)(3) nonprofit whose mission is to empower high-risk youth through therapeutic poetry and other creative workshops that facilitate expression, connection and transformation.

We are tremendously grateful for the local business owners, community leaders and individual members of the community who support our Phoenix Rising therapeutic poetry and spoken word program for struggling youth with tax-deductible donations. By investing in our programs, you help young people succeed, providing the opportunity for a brighter, more hopeful future for them and for our community. In return for your generous donation, we are happy to honor your giving with grateful recognition on our website, in our newsletter and at our events.

Based on the numbers of youth you wish to reach, please select from the five Event Sponsorship levels below. Also, please let us know if you wish to submit your donation anonymously.
